Candidate C

Question: Which candidate would YOU vote for? (n=94)

Candidate A: I was born and raised in Detroit, graduated from Renaissance High, and I love this city. Detroit is a great city, full of passionate, resilient people, and I will be the true voice of the community. No other candidate knows the city like I do. Vote for me.

Candidate B: I was president of my block club for six years. I spoke with over 100 residents door to door to discuss public safety issues in my neighborhood, and successfully worked with residents, the police, and local business sponsors to launch a program to install private streetlights. I know how to get things done. Vote for me.

Candidate C: Detroit needs leaders who will actually listen to the people. As councilmember, I will have my staff attend every block club and neighborhood association meeting in my district, and convene a quarterly public meeting to discuss the issues that citizens care about. Vote for me.
